

Punctuality- Arriving on time at Clanfield Junior School

Getting ready for being in school:

8:30am: wake up and shake up in the hall for early starters.

8:35am: the school gates open- this allows plenty of time for children to meet their friends on the playground and prepare mentally for school.

Getting ready to learn:

8:45am: the whistle is blown- children need to be on site for this time so they can enter their classrooms in good time and get ready for morning tasks/interventions.

8:50am: the gates will close. All children after this time must report to the office.

Learning time:

8:55am: Morning register closes.

9am: lessons start.

* If your child arrives 5 minutes late every day, this is the same as missing 3 days of learning throughout the school year.

* If your child is 15 minutes late every day, this is the same as missing 9 days learning throughout the school year.

If your child arrives after 9:10am this is classed as unauthorised late and will affect their attendance.
