

Aims

At Clanfield Junior School we encourage all pupils to develop lively, enquiring minds, with which to acquire the knowledge and skills they will need throughout their lives. We help them to understand the world in which they live, and the inter-dependence of individuals, groups and nations. At our school we are proud to be part of our community. We believe it is essential that all children appreciate the value that they have within our school and the wider community. Underpinning all of this is the school motto; **'Be the best that you can be.'**

At all times the staff and governors aim to:

- ≈ Create a happy, secure and productive environment.
- ≈ Allow all children to achieve their full potential by providing an engaging and stimulating curriculum to suit the needs of all children.
- ≈ Maintain high standards of behaviour through building positive relationships with all children.
- ≈ Encourage all staff to work as a team which builds on the strengths of every individual.
- ≈ Work in partnership with parents, governors and the community.
- ≈ Be sensitive to the needs of all children and strive to enhance their self-esteem.
- ≈ Be aware of children with specific and special needs and to ensure that proper planning is mapped to cater for their needs.
- ≈ Ensure that each child receives a broad and balanced education that fulfils all their needs.
- ≈ Regularly monitor and evaluate curriculum and school development and communicate these to both parents and governors.
- ≈ Ensure that the school celebrates all achievements.
- ≈ Value and respect everyone in school.
- ≈ Ensure that Clanfield Junior School is a centre of excellence at all levels.
