Sports Day and Family Picnic – Wednesday 12th June 2024

Dear Parents and Carers,

Our school sports day will be held on the morning of Wednesday 12th June. The children will be taking part in a range of sports activities, led by CM Sports where they will be able to earn points for their house team. Should we experience inclement weather, a Scopay message will be sent to parents and carers by 8:30am. The reserve Sports Day date is Friday 28th June.

Arrangements for the Day

- Children will be registered in their classes as normal.
- At 9:20am, the main gates will open for parents who would like to observe. Our house captains will be pleased to direct you to the top field where the events will take place.

Please be aware that while shade will be available for the children, it can be limited for the outer areas of the field where parents will be positioned. Chairs will be set up for parents and carers to watch the races, however there will also be a carousel of activities and you are welcome to walk around the outside of these to see your child competing.

If you wish to take pictures of your child, please can you make sure that you take pictures of just them and do not post any pictures on social media where other children might be visible.

We anticipate that the events will finish at approximately 12:00pm.

Following on from this, we would be delighted if you could join us for a family picnic from 12:00 – 12:45.

- The children will be seated in their classes at the start of the lunchtime.
- You can collect your child from there and find an area to sit for lunch, hopefully with other families and children.
- Please bring your own picnic blankets for this. We request that only soft drinks are brought along, and due to allergies, please do not bring in any products containing nuts.
- Children will still have the opportunity to order a school lunch on this day but they will be able to take this to the field as the kitchen will be preparing just picnic lunches on that day.
- My Little Coffee Co Van will be on site if you wish to purchase drinks

- The children will then be registered in classes and are permitted to leave with you, if you wish, after 12:45. Children will not be permitted to leave prior to this.
- There is no expectation that children have to leave at this time, and those remaining in school will take part in a range of activities during the afternoon.
- After-school club will be open as usual.

What to bring and wear

Children should come to school on this day in their PE kit, or sportswear in the colour of their house team.

- Winchester - green
- Windmill - blue
- Portsdown - yellow
- Butser - red

Please send your child to school with a water bottle, hat, and sun cream (name labelled) that they can apply themselves. It is vital that the children keep themselves hydrated so they may wish to bring a second bottle of water on the day. Pupils are also permitted to bring banners to support their house team if they wish.

If your child suffers from hay fever and may find that sitting on the grass aggravates their condition, they may bring a small blanket or cushion to sit on.

We look forward to welcoming you at our Sports Day event, and celebrating the children's sporting achievements with you.

Thank you for your continued support.

Ms Kate Lawrence
